## It Felt like a really Good Evening !

We have received so many comments about how much better the new arrangements are and 'how good' that first night was. The show by **Brian Smith** was really appreciated, and especially as Brian had given his time, and his talent, to give pleasure to those watching and those taking part.

**A special thanks Brian from us all !**

## Our Members have done it again!

Our congratulations are extended to Kay and David Lines and Patti Rhodes partnered with Al Carballosa who competed at the Regionals in Atlanta. They have made our chapter proud !!

## Looking ahead .....

January will be an interesting period for our Chapter as we prepare for, and present our 'Winter Frolic' Competition here at **The Goldcoast** on **Saturday, January 26<sup>th</sup>, 2008**. The signs are that it will be even bigger and even better than our last competition which was hailed by many as a great success.

The income from the event provides our Chapter with the funds to pay for our Outreach Programs.

Helping us to dance into the New Year on Wednesday January 2<sup>nd</sup> will be our :-

Guest Teacher **Alex Foraponov**

And our show will be performed by our competitors who will be taking part in the 'Winter Frolic'.

In February Alex Foraponov will again be our guest teacher and we will be treated to a show be Alex and his lovely wife Kristine.

If any men have wondered what is meant by **The Top Line**, here is a good example. I couldn't resist taking this shot of Syrus at our last dance.

The Top Line is what all judges are looking for, and it is measured from the man's left elbow to his partner's elbow to his right, and it should not alter, regardless of his position

**Nice One Syrus !!**

## Wanted !!

### A Nursing Home Co-ordinator.

Rosana has done a fabulous job linking up with nursing homes and co-ordinating a program, so that Robert Tull could take over and co-ordinate the dancers taking part.

We need to find a replacement for Rosana who has had to give up the role. So if anyone is interested, then please let Jean Hamer know. Jean can be reached on 561-642-8499.

The program has been a great success, so do help us to keep it going. Thanks!

**Our Get Well Wishes are extended to Audrey Steinberg. We all hope your recovery is a speedy one Audrey, and we are looking forward to seeing you on the dance floor.....**
